TOWN OF SAND LAKE

Dear Municipal Official:

We have reviewed your ordinance for the municipal adoption of the Uniform Dwelling Code (UDC) and found it acceptable.

It is our understanding that you will continue enforcement using Daryl Bazey as your certified inspector. Since he is your current state-contracted inspector, he may begin enforcing your ordinance as soon as it is effective. Note that all inspections must be performed by properly certified inspectors.

By copy of this letter, we are also informing your county so they may forward this information to their land use, zoning and sanitary permit staff, who may refer potential UDC building permit applicants to the proper party.

Feel free to contact me if you have any questions.

Sincerely,

Duane Hubeler  
UDC Consultant
